The President's Corner

The past three years I've been honored to serve as the Society's President and would like to take this opportunity to express my appreciation to the other officers, directors, committee chairs and friends that have made our accomplishments possible.

I thank all the Society's members and sponsors for their continued support. To Alanna Barry McCloskey, for her creative talents in website and communications assistance. My most grateful appreciation to my wife, Kathleen, for her patient, willing support.

2018 is a transitional year for the Society's Officers and Directors.

Highlights during the past three years:

- Inducted 128 new members into the Society.
- Extensive revisions to our Bylaws eliminating outdated procedures.
- Reduced excessive overhead expenses by half.
- Bylaw change establishing a Fundraising Committee to be a Standing Committee of the Society.
- Established a policy of distributing 100% of funds raised or donations received back into supporting worthy charities within the year.

- Initiated the transfer of our 247 years of historical records onto the Digital Library at Villanova University for public access.
- Bylaw change that after 245 years of a male only society we changed our structure to welcome women into the Society as full members.
- Over the past three years, the Society has taken our scholarship endowments starting from 1 endowment under \$100,000 in value to a total level of 14 fully funded endowments exceeding \$1,000,000.
- The Charitable Grants issued from 2015 to 2018 represent more funds issued to worthy charities in the recent three years than had been issued cumulatively in the past 35 years. [this is not a judgment of the past, it's a vision for what the future can bring!]
- The success of these accomplishments would not have been possible but for a dedicated group of board members committed to accomplishing the Society's mission.

Our incoming President, Kevin Maloney along with his administration, will continue in guiding us in fulfilling the Society's mission. We are extremely fortunate to have Kevin leading the Society as our new President.

Sincerely,
Joseph P. Heenan

GENERAL JOHN F. KELLY USMC
White House Chief of Staff

JOHN F. KELLY (BORN May 11th, 1950) has dedicated his life to serving our nation and is currently serving as White House Chief of Staff for President Donald Trump.

John Kelly is a retired United States Marine Corps General and the former commander of United States Southern Command. He had previously served as the commanding general of the Multi-National Force West in Iraq in 2007 and 2008.

General Kelly was born in Boston, Massachusetts into an Irish Catholic family and grew up in the Brighton neighborhood of Boston and remains quite proud of his Irish heritage. He served in the United States Merchant Marine, where he says, “my first time overseas was taking 10,000 tons of beer to Vietnam”.

He enlisted into the Marine Corps in 1970; was discharged from active duty as a sergeant in 1972 after serving in infantry company with the 2nd Marine Division, Camp Lejeune, North Carolina.

He was commissioned on December 27, 1975, as a second lieutenant via Officers Candidate School. In 1976 he graduated from the University of Massachusetts, in 1984 received his Master’s Degree in National Security Affairs from Georgetown and in 1995, a Master of Science in Strategic Studies.

Continuing his Marine Corps Service through a number of assignments in 1999, General Kelly transferred to joint duty and served as special assistant to the Supreme Allied Commander, Europe. In 2002 General Kelly again served

with the 1st Marine Division as assistant division commander. Much of John Kelly’s two year assignment was spent deployed in Iraq. In March 2003, while in Iraq, then Colonel Kelly was promoted to Brigadier General, which was the first known promotion of a Marine Corps Colonel in an active combat zone since that of another First Marine Division assistant division commander, Chesty Puller, in January 1951.

In April 2003, General Kelly took command of the newly formed Task Force Tripoli and drove it north from Baghdad into Samarra and Tikrit. General Kelly also served as Military Assistant to Secretary of Defense Leon Panetta and was subsequently nominated and confirmed for General.

In December 2016, General Kelly was called on to head the Department of Homeland Security and in July of 2017 President Trump appointed General Kelly to the post of White House Chief of Staff.

General Kelly has been married to his wife Karen since 1976. They have had three children: Robert, John Jr., and Kathleen.

In 2010, John and Karen Kelly’s 29 year old son, First Lieutenant Robert Kelly, was killed while leading a platoon of Marines on a patrol in Sangin, Afghanistan. Lt. Kelly was a former enlisted Marine and on his third combat tour, and first tour as a U.S. Marine Corps infantry officer. Their other son, John Jr. is a Marine Corps Major and their daughter Kathleen serves the country with a non-profit.

SECRETARY'S ANNUAL REPORT TO FSSP MEMBERSHIP *MARCH 10, 2018*

I am pleased to have the opportunity to provide the annual report to the membership of The Friendly Sons of St. Patrick of the general condition of the Society under the administration led by President Joseph P. Heenan.

On June 17, 2015, a Special Meeting was held at the Springfield Country Club for the election of new officers. The Special Meeting was followed by a General Meeting which was presided over by newly elected President Heenan who opened the Quarterly General Meeting greeting the members present and emphasizing a renewed focus on liberty and charity for the Society. The new president proposed a bylaw amendment which would "open the Society up to a more inclusive environment by not excluding women into the Society as full members." The next Quarterly General Meeting was held on September 17, 2015 where the decision to allow female membership was endorsed by an overwhelming majority of 90% of the members voting on this bylaw change at the meeting.

The 2016 Gala Dinner marked a historic meeting on the evening of March 12, 2016 when full membership in the Society was officially opened to women for the first time in the 245-year existence of the Friendly Sons of St. Patrick. Her Excellency Anne Anderson, Ambassador of Ireland to the United States, become the First Female Adopted Member of the Society following in history General George Washington who became the Society's First (Male) Adopted Member on December 18,

1781. The 2016 Gala Dinner set a new precedent of generating a healthy profit, which was an impressive achievement following many years in which the Annual St. Patrick's Day Dinner had consistently generated a net loss.

From the outset, President Heenan targeted the key components of Membership, Fundraising, and Benevolence for a vital Society. As each subsequent year progressed for the new administration, these three principles were supported by the able group of officers and board members assembled to serve the benevolent pursuits of the Society.

The 2017 Gala Dinner scheduled on March 11, 2017 at Aronimink Golf Club exceeded the impressive achievements of the prior year's Gala in many ways. It was a historic meeting which featured PECO President & CEO Craig L. Adams as the Guest of Honor and Guest Speaker. Irish Ambassador Anne Anderson graced the Gala with her presence a second year, and Mr. Adams was joined by Taoiseach Enda Kenny, Prime Minister of Ireland, and NY Consul General Barbara Jones in becoming Honorary Members in our historic Society that evening. The 2017 Gala Dinner was sold out more than a month ahead of time and made an even larger profit than the prior year's event.

A truly astonishing accomplishment by the administration led by President Heenan is its expansive establishment of Scholarship Endowment Programs at Philadelphia areas schools, colleges,

and universities. Launching from a springboard of a single scholarship endowment established by the Society many years ago at St. Joseph's University, the Society's Board of Management following the guidance of President Heenan initiated an aggressive donation program, taking our Society's scholarship endowments from under \$100,000 to creating 13 additional fully funded scholarship endowments valued at over \$1,000,000. These scholarship endowments, lasting in perpetuity, will allow for yearly assistance to needy students the opportunity of studying in Ireland, and one endowment established for children and youth with developmental disabilities the ability to attend a highly accredited school designed for their needs. The numerous improvements to the Society's website was one of the subjects of my Annual Report to the FSSP Membership last year. I can proudly state that all these improvements continue to be active and the source of updates concerning the dynamic progress being made by the Society to achieve both its benevolent mission and commitment of transparency to the membership. Email blasts continue to be regularly sent to the membership with updated information about events, fundraising, and benevolent donations made by the Society. A new link has been added connecting to the Digital Library at Villanova University where the archival records of the Society are in the process of being digitized for public access to a wide range of historic records.

The 2018 Gala Dinner scheduled on March 10, 2018 at Aronimink Golf Club has again exceeded the impressive achievements of the prior year's Gala. There are two Guests of Honor and Guest Speakers featured at this year's event: General John F. Kelly, White House Chief of Staff, and Gerard P. Cuddy, President and CEO of Beneficial Bank. The 2018 Gala Dinner was sold out more than four months ahead of time and is anticipated to make an even larger profit than the prior year's event.

The advancement of the important charitable work of the Society would not be possible without the hard work and cooperation of the Officers, Board of Management, Counselors, and Committee Chairs the Friendly Sons of St. Patrick. I would like to take this final opportunity to acknowledge and thank each of these individuals for their dedication to the ideals that have been the foundation of the work of The Society of The Friendly Sons of St. Patrick for the Relief of Emigrants from Ireland for the past 247 years as follows: President and Chairperson of the Fundraising Committee Joseph P. Heenan-the person whose vision and focus is a primary reason for the many achievements of the Society in a brief period of only about two and a half years; Vice President and Chairperson of the Dinner Committee Kevin J. Maginnis, Esq.-who scheduled and planned each of the recent phenomenally successful Gala Dinners; Treasurer John C. Heenan-who has been an ardent supporter of the Society's benevolent programs and dependably maintained accurate financial records for our charitable organization; Director Thomas P. Jordan Jr.; Director Bernard E. Kueny III, Esq.; Director Ted Powell; Director David M. Stewart; Director and Chairperson of the Auditing Committee Martin L. Ward, CPA; Director William E. Watson, Ph.D.; Director Edward J. Wilbraham, Esq.; Counselor Mark Ryan, Esq.; Counselor Davis Lee Wright, Esq.; Chairperson of the Benevolence/Scholarship Committee Charles W. Lentz Jr., Doctor of Education; and, Chairperson of the Membership Committee Rev. J. Francis Watson, Ph.D.

I would also like to express sincere appreciation to each and every one of the Society's members as important celebrants and participants in our Society's historic benevolent mission. Thank you.

MEDAL
OF THE

FRIENDLY SONS OF ST. PATRICK

Adopted 1772

MEDAL OF THE SOCIETY OF THE FRIENDLY SONS OF SAINT PATRICK

On the right Hibernia — on the left America — in the center Liberty joining the hands of Hibernia and America, represented by the usual figures of a female supported by a Harp for Hibernia — an Indian with his quiver on his back, and his bow slung, for America — underneath Unite. On the reverse, St. Patrick trampling on a snake — a cross in his hand— dressed in Pontificalibus, — the motto “Hier.”

These devices, designed some years before the Revolution, were certainly ominous, if not prophetic, — The Goddess of Liberty” joining the hands of Hibernia and America, with the superscription, “Unite,” was sufficiently significant, considering that the effect of that union powerfully promoted the subsequent dismemberment of the British Empire, and the establishment of the liberty and independence of America. The motto Hier, or, without the aspirate, Iar, In the Celtic Language, signifies “West,” — and from it came the name of the country Ere, Erin, or Ireland; and Ierna, aspirated Hibernia. But the word “Hier” had in it a duplicate and equivocal signification; peculiarly appropriate as the motto of a society whose object was to “Unite,” in fellowship, the sons of the little Isle of the “West,” with those of the great continent of the “West.”

True to our name. Since 1853.

Beneficial Bank was founded in 1853 to give the growing Irish immigrant labor force a safe place to keep their savings. Through every decade, we have remained true to our core belief: always try to do what's right for the people, businesses and communities of the Philadelphia area.
