

FRIENDLY SONS & DAUGHTERS OF SAINT PATRICK

ESTABLISHED 1771

Since our inception in 1771, our Society has remained steadfast in its commitment to upholding our traditions of liberty and charity. Thanks to the unwavering support of our members and benefactors, we have been able to make significant strides in advancing our mission, enriching lives, and forging lasting connections between our community and Ireland.

Over the past twelve months, our Society has accomplished the following:

- Established our Military & First Responders Fund which has provided direct aid to 5 families whose loved ones lost their lives or were injured while protecting our communities.
- Partnered with the Irish Diaspora Center to provide aid to assist 12 Irish-born homeless individuals to obtain healthcare benefits.
- Continued contributions towards 14 of our previously established scholarship endowments at local schools, colleges and universities; and
- Donations to: Little Sisters of the Poor, Angel Flight East, Irish Diaspora Center, Duffy's Cut Project, 174 Trust, Shriners Hospital for Children, Philadelphia Protestant Home, Ivins Outreach Center, St. John's Hospice, Shamrock Reins, Commodore Barry Arts & Cultural Center, The Camphill School and many more.

In order to fulfill our mission and continue our charitable activities, we rely on the generosity of individuals and businesses for support. Without assistance of members like you, we wouldn't be able to make the impact that we do.

We ask that you please make a commitment to support our Annual Appeal by making a donation. Donations may be made through our website at www.friendlysonsanddaughters.com/donate-now or by check utilizing the enclosed envelope for your convenience. 100% of all funds raised are issued within 12 months to the worthy charitable causes and endeavors that we support. Each donation makes a difference, regardless of size.

Thank you for your continued support of our Society.

Sincerely,

Michael Maloney
President
