FRIENDLY SONS & DAUGHTERS OF SAINT PATRICK

ESTABLISHED 1771

Dear Friends,

Since our founding in 1771, the Friendly Sons and Daughters of Saint Patrick have remained devoted to preserving our shared heritage and living out the principles that have guided us for more than two centuries—benevolence, the celebration of Irish culture in the New World, and non-denominational fellowship that welcomes all those of Irish ancestry.

Your generosity continues to breathe life into that mission. Thanks to your support, we have been able to make a meaningful difference in the lives of others. Enclosed is the latest report from our Benevolence and Scholarship Committee- a reflection of the good work we've accomplished together.

As lifetime members, we carry forward a tradition of giving that is sustained by our Annual Appeal. Every dollar you contribute goes directly to the charitable efforts that strengthen our community and deepen our connection to Ireland.

Your support, whatever its size, helps us lift up those in need, honor our shared heritage, and keep alive the values that define our Society.

The Board joins me in offering heartfelt thanks for your continued commitment.

With gratitude,

Anne
